## PROGRAM SUMMARY

**President Jim** introduced club leadership and made them take an oath of office. He wants the members to help him do things better this year. This year's Rotary International Theme is "Reach Within to Embrace Humanity."

President Jim wants us to focus on this throughout this year and find a way to do things better. We filled out a survey about our club and what we would like to see change, stay the same, do differently, and any suggestions for the upcoming year. Then we had a table discussion about the form and each table shared some highlights.

**Looking ahead to August 3**
