

Metro is proud of its many programs supporting youth, pre-K through teens. We enter RI Youth Services month having just been recognized by [Job Point](#) at its [60th Anniversary Banquet](#) as its [Partner of the Year](#). We were very pleased to be able to work with students in Job Point's [YouthBuild](#) program on both our [Cooking Connections](#) and [Grow and Learn](#) projects.

We are also very proud of our long-term relationship as Partners in Education with the Preschool program of the Columbia Public Schools, which also participated in the Grow and Learn Project. There are other ways we work with young people as well. Every year we send students to [RYLA](#), and this year we also supported both incoming and outgoing students participating in [Youth Exchange](#).

Interested in helping the youth in our community? Come join us!

Yours in Peace,

Sarah Read
