

Dear Metro Rotarians,

I am grateful you have chosen me to be your President in the 2026-2027 year! We have great officers, a great board and of course strong committees that do significant work. I joined this club four years ago and I have had the pleasure of connecting with many of you. I have learned what a strong community focused club we have and I love being a part of it.

The theme for this year is *Create Lasting Impact*. With what I have witnessed, this theme will be highly relevant to our club. We have some exciting District Simplified Grants in the works, and I am proud how strongly we support local and international causes. I am from this community and finding a group that cares about it as much as I do is rewarding. I also find it exciting that our new district governor is from Columbia, and the passion he brings to this organization is substantial and motivating. Spreading the word of what a strong organization Rotary is and what an impactful club Columbia Metro is will be a focus of mine!

**CREATE
LASTING
IMPACT**

I will work hard to further our mission. I look forward to working with all of you.

Yours in Rotary,

J.D. Moran
